# Fideuram Fund Equity Global Emerging Markets

Sub-Fund of Fideuram Fund (ISIN LU0096650485)

Management Company: Fideuram Asset Management (Ireland) dac, Intesa Sanpaolo banking group

## OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund, expressed in Euro, aims to outperform the benchmark by investing essentially in equity transferable securities either with their registered office or their main economic activity in an emerging market country, or listed on an official stock exchange, or dealt in on another regulated market of an emerging market country as well as in countries in which such issuers are also listed (for example: New York Stock Exchange, Hong Kong Stock Exchange).

The emerging market country can be located in every continent, although the Sub-Fund shall concentrate essentially in investment in emerging countries of Asia, Latin America and Eastern Europe. The Sub-Fund may invest in China A-shares via the Shanghai-Hong Kong Stock Connect program which allows foreign investors to trade certain Shanghai Stock Exchange listed China A-Shares through Hong Kong based brokers.

The Sub-Fund may use financial derivative instruments for the purpose of risk hedging for investment purposes.

The Sub-Fund is actively managed. The benchmark of the Sub-Fund consists of the index "MSCI Emerging Markets" Price Return in USD converted in EUR, which is used in the investment screening process and for portfolio construction.

The relative risk and positioning to the benchmark is monitored. To provide a disciplined management approach, risk limits are set to contain investment risk. While maintaining an active management style, the Sub-Fund composition has a limited deviation from the benchmark. However, performance may differ depending on market conditions. There is discretion to invest in other securities not included in the benchmark, and to use alternative weighting of securities to the benchmark.

This is a capitalization Sub-Fund. You may request to redeem the units held at any moment, by sending a request on any bank business day to the Management Company.
