Fonditalia Equity Pacific ex Japan

Sub-Fund of Fonditalia

Class R (ISIN LU0058496836) / Class T (ISIN LU0388707852)

Management Company: Fideuram Asset Management (Ireland) dac, Intesa Sanpaolo banking group

OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund has been categorized as an ESG Promotion Strategy Sub-Fund, as promoting, among other characteristics environmental and social characteristics, which are a binding component, for the assets selection and investment decision-making process, and the companies in which the Sub-Fund shall invest in need to follow good governance practices, in accordance with article 8 of the SFDR.

The Sub-Fund, expressed in Euro, consists essentially of equity transferable securities listed on a stock exchange or dealt in on another regulated market in developed countries of the Pacific area, other than Japan, whose issuers comply with Environmental, Social and Governance ("ESG") criteria.

In particular, but not exclusively, the Sub-Fund invests in stocks listed on Hong Kong, Australia, Singapore and New Zealand markets.

The Management Company's ESG criteria analysis incorporates elements of negative and positive screening alongside general and security specific Socially Responsible Investing ("SRI") / ESG-related analysis and ultimately, in alignment with the investment objective and policy of the sub-fund,

The detailed ESG criteria and exclusions applied are available in the Investment Policy of the Sub-Fund in the Prospectus.

The Sub-Fund may invest in China A-shares via the Shanghai-Hong Kong Stock Connect program which allows foreign investors to trade certain Shanghai Stock Exchange listed China A-Shares through Hong Kong based brokers.

The Sub-Fund may use financial derivative instruments for the purpose of risk hedging and for investment purposes.

The benchmark of the Sub-Fund consists of the index "MSCI AC Asia Pacific Excluding Japan" Price Index in USD and converted into EUR.

The Sub-fund is actively managed and the degree of freedom allowed within the management of the sub-fund is significant. The relative risk and positioning to the benchmark is monitored. To provide a disciplined management approach, risk limits are set to contain investment risk. It is expected that, in normal circumstances, a significant part of the investments of the Sub-Fund will be components of the benchmark, however there is discretion to invest in other securities not included in the benchmark. The benchmark of the Sub-Fund is not an ESG aligned benchmark.

This Sub-Fund has two Unit-Classes: Class R and T. R and T are capitalization Unit-Classes.

You may request to redeem the units held at any moment, by sending a request on any business day.

RISK AND REWARD PROFILE

Lower risk

Potential lower reward

Higher risk

Potential higher reward

- This Sub-Fund is classified in the risk and reward category 6 because the investments value can be subject to high daily variation, both positive and negative.
- The historical data such as is used to calculate the synthetic risk and reward indicator may not be a reliable indication for the future risk profile of the Sub-Fund.
- The risk and reward category shown is not guaranteed to remain unchanged and the categorization of the Sub-Fund may shift over time.
- Even the lowest risk category does not mean a risk-free investment.

THE SYNTHETIC RISK AND REWARD INDICATOR DOES NOT ADEQUATELY CAPTURE THE FOLLOWING RISKS:

- **Credit risk:** The Sub-Fund invests in securities whose credit rating may get worse, increasing the risk that the issuer is unable to fulfil its commitments with a negative impact on the securities' price.
- **Developing market risk:** The Sub-Fund is exposed to securities highly sensitive to political and economic instability of developing countries such as civil conflicts, changes in government policies and in taxation, restrictions on foreign investment (including capital control), currency repatriation, currency fluctuations and other developments in the laws and regulations of countries in which investments may be made. Price changes may be higher than those in the markets of developed countries.
- **Derivative risk:** in order to achieve its objectives, the Sub-Fund may use derivative instruments whose value may be subject to price

fluctuations, positive or negative, much larger than those of the securities in the same Sub-Fund.

- **Liquidity risk:** The Sub-Fund invests in markets that can be characterized by a reduced possibility to exchange securities without a negative impact on prices.
- **Counterparty risk:** The Sub-Fund invests into instruments, such as derivatives, by entering into contracts with financial counterparties, exposing itself to the risk that said intermediaries may generate financial damage to the fund itself by not fulfilling their obligations in the future.
- **Raw material risk:** The Sub-Fund invests in financial instruments related to raw materials whose value may be affected by specific factors including the high risk of political instability of the producing countries.
- **Regulatory risk:** Risk that regulatory changes (in particular in respect of securitizations and contingent convertible bonds) may negatively impact the Sub-Fund in respect of market prices and liquidity.
- **Operational Risk:** risk that operational processes, including those related to quantitative trading models implementation and to the safekeeping of assets may fail, resulting in losses.
- **China Risk:** Investing in the People's Republic of China (PRC) is subject to the risks of investing in emerging markets and additional risks, which are specific to the PRC market. In case of investment in China A shares and/or in debt securities issued by Mainland China issuers where securities are held in custody on a cross-border basis, there are specific legal/beneficial ownership risks linked to compulsory requirements of the local central securities depositories.

CHARGES

These fees and charges are used to pay the costs of running the Sub-Fund, including the costs of marketing and selling. They reduce the potential growth of your investment.

One-off charges taken before or after the investment

Entry fee	2.00 %
Exit fee	0.00 %

Maximum percentage that can be withdrawn from your capital before it will be invested or before the return is distributed.

	Ongoing charges Charges taken from the Sub-Fund over a year	Performance fee Charges taken from the Sub-Fund under certain specific conditions
Class R	2.15 %	0.00 %
Class T	1.50 %	

The **entry and exit fees** shown in the chart are maximum figures. In some cases you might pay less. You can find this out from your financial adviser or from the distributors. For the switch of units, you may choose alternatively two systems of fees: the tariff "by transaction" and the tariff "fixed" (applied on a quarterly basis on the capital invested). The **ongoing charges figure** is based on expenses for the year ending on **31/12/2021**. This figure may vary from year to year.

It excludes performance fees and portfolio transaction costs, except in the case of an entry/exit fee paid by the Sub-Fund when buying or selling units in another fund.

For more information about charges and fees, including the information of the calculation criteria of the performance fees, please see section "Charges" of the Fund's Prospectus, available on the website www.fideuramireland.ie.

PAST RESULTS

Past performance is not a reliable guide to future performance. Date of setting up of the Fund: August 11th, 1967. Launch date of the Sub-Fund: July 3rd, 1995. The past performance of the Sub-Fund is calculated in Euro. The past performance indicated herein takes into account all the costs and charges, with the exception of the entry, exit and switch charges.
